

Pre-Release Software Non-Disclosure Agreement

This agreement covers proprietary information belonging to Runtime Labs, LLC. (the “Discloser”) that is made available or disclosed to the party signing this agreement (the “Recipient”). This information (referred to as “Confidential Information”) includes, but is not limited to, software, documentation, and correspondences, that has not been publicly made available by the Discloser.

The Recipient agrees to hold the Confidential Information in strict confidence and not to disclose such information to any third party without the express permission of the Discloser until Runtime Labs, Inc. publicly discloses the Confidential Information. The Recipient also agrees to employ all steps necessary to protect the Confidential Information from unauthorized disclosure or use, including without limitation, all steps the Recipient uses to protect information they consider proprietary and a trade secret.

Recipient acknowledges and agrees that any Software received under this agreement is a pre-release version that may contain bugs, defects, and errors that the software is not expected to function fully upon installation. The Recipient also acknowledges that the Discloser is under no obligation to correct any bugs, defects, or errors in the Software or to otherwise support or maintain the Software.

Neither party of this Agreement may assign this Agreement or any rights or obligations under it, without prior written consent, and any attempt to do so is void; and neither grants the other any licenses under any patents or copyrights.

The Discloser provides Information on an AS IS basis and is not responsible for any damages arising out of the use of Confidential Information made available under this agreement.

This agreement shall be governed by and construed in accordance with the laws of the State of New York and the United States.
